Sir/Madam:

The enclosed Amendment filed on June 18, 2004 contained an incorrect prefix to the serial number and was misdirected within the U.S. Patent and Trademark Office. Please find attached a copy of pages 1 through 18 of the Amendment submitted to the U.S. Patent and Trademark Office on June 18, 2004 which now correctly indicates the correct serial number prefix as requested by the Examiner.

Respectfully submitted,  
 PEARNE & GORDON LLP
